Virwuert

Am Grapp häls du déi 2t Versioun vum Lidderhanes sengem Lidderbuch ! An hei ass elo rëm vill neie Stoff dra fir op Campen, Kolonien oder och soss engem musikaleschen Owend Stëmmung ze man.

E Lidderhanes spillt natierlech net nëmmen al Klassiker me och e puer méi nei « nach net Klassiker » fir Stëmmung ze maachen. Dëst ass ee vun denen Haaptakzenter vun dësem Buch.

Fir datt alles sou klengt wéi et soll schloen ech fir, d'Lidder emol ze üben - da mécht d'Spillen den Owend selwer nach méi Spaass. Wann's du ee Lidd aus dem Buch net solls kennen, da muss de der dat onbedingt op engem Videosite ularschteren - all Lidd ass dowärt gespillt ze ginn !

A falls däi Klassiker bzw. « nach net Klassiker », bei deem all Mënsch mattgrölt net an dësem Buch ass, da schreif mer séier eng Mail, well da kënnt et an déi nächst Editioun !

Vill Spaass beim Sengen !

Lucky

Jason Mraz

Now do ya hear me talking to you
Across the water, across the deep blue ocean
Under the open sky, oh my
Baby I'm trying

Boy I hear you in my dreams
I feel your whisper across the sea
I keep you with me in my heart
You make it easier when life gets hard

Lucky I'm in love with my best friend
Lucky to have been where I have been
Lucky to be coming home again
Ooooh ooh-oooooh ooh-oooooh....

They don't know how long it takes
Waiting for a love like this
Every time we say goodbye, I wish we had one more kiss
I'll wait for you, I promise you, I will

Chorus

Lucky we're in love in every way
Lucky to have stayed where we have stayed
Lucky to be coming home some day

And so I'm sailing, through the sea
To an island, where we'll meet
You'll hear the music, fill the air
I put a flower in you hair

And though the breezes through the trees
Move so pretty, you're all I see
Let the world keep spinning round
You hold me right here, right now

One minute I held the key

Next the walls were closed on me

And I discovered that my castles stand

Upon pillars of salt and pillars of sand

I hear Jerusalem bells are ringing

Roman Cavalry choirs are singing

Be my mirror, my sword, and shield

My missionaries in a foreign field

For some reason I can't explain

Once you go there was never, never an honest word

That was when I ruled the world

Je le conseille tout de même avec modération
Comme cet alcool qu'on prend jusqu'à la déraison
Et pour quelques noyés est devenu passion
Mais l'église ne dit rien la cirrhose a raison
Voir un homme tituber ne choque pas la morale
Mais l'alcool tant loué vous est parfois fatal
Et le joint si léger dans mon pays natal
Des libertés de l'homme devraient être banales
Malheureusement chez nous il se vend en sous-main
Si peu dangereux qu'il soit l'Etat lui fait la guerre
Pour une fausse morale parce qu'il n'en touche rien
Voilà la vérité dans cette triste affaire

Le peuple tout entier pourrait mieux respirer
C'est encore cette fois par l'argent que le bat blesse
Si au moins le haschisch pouvait remplir les caisses
Nos dirigeants affbles fermeraient bien les yeux
Et parfois avec nous s'envoleraient aux cieux

Refrain

G D Am Em

L'alcool et le tabac ont le droit de tuer
Car aux comptes de l'Etat apportent leurs deniers
Messieurs dames mourrez donc d'alcool et de fumée
La patente est payée, la mort autorisée

Si j'les écoute j'finirai dans les rangs
C'est pas que je n'aime pas mes potes
Mais si j'les suis, j'finirai dans le vent
A courir après la gloire, les femmes et l'argent

Refrain

Je me fous de ce que l'on peut dire dans mon dos
La rumeur ou bien le qu'en-dira-t-on
Pendant que le monde dérive, moi je quitte le bateau
Je lâche prise avant de péter les plombs

Ses fluctuat nec mergitur
c'était pas d'la littérature
n'en déplaise aux jeteurs de sorts
aux jeteurs de sort
Son capitaine et ses mat'lots
n'étaient pas des enfants d'salauds
mais des amis franco de port
des copains d'abord

C'étaient pas des amis de luxe
des petits castor et pollux
des gens de Sodome et Gomorrhe
Sodome et Gomorrhe
c'étaient pas des amis choisis
par Montaigne et la boetie
sur le ventre ils se tapaient fort
les copains d'abord

C'étaient pas des anges non plus
l'évangile ils l'avaient pas lu
mais il s'aimaient tout' voiles
dehors
toutes voiles dehors
jean, pierre, Paul et compagnie
c'était leur seule litanie
leur credo, leur confiteor
aux copains d'abord

Au moindre coup de Trafalgar
c'est l'amitié qui prenait l'quart
c'est elle qui leur montrait le nord
leur montrait le nord
et quand ils étaient en détresse
qu'eux bras lançaient des SOS
on aurait dit des sémaphores
les copains d'abord

Au rendez-vous des bons copains
y'avait pas souvent de lapins
quand l'un d'entre eux manquait a bord
c'est qu'il était mort
Oui mais jamais, au grand jamais
son trou dans l'eau ne s'refermait
cent ans après coquin de sort
il manquait encore

Des bateaux j'en ai pris beaucoup
mais le seul qu'ai tenu le coup
qui n'ai jamais vire de bord
mais vire de bord
naviguait en père peinard
sur la grand-mare des canards
et s'app'lait les copains d'abord
les copains d'abord.

L'Hymne de nos Campagnes

Tryo

Si tu es né dans une cité HLM
Je te dédicace ce poème
En espérant qu'aux fonds de tes yeux ternes
Tu puisses y voir un petit brin d'herbe

Dm **A#** **A**
Et Les man faut faire la part des choses

Dm **A#** **A**
Il est grand temps de faire une pause

Dm **A#** **A**
De troquer cette vie morose

Dm **A#** **A**
Contre le parfum d'une rose

Dm **A#** **A**
C'est l'hymne de nos campagnes
De nos rivières, de nos montagnes
De la vie man... du monde animal
Crie le bien fort, use tes cordes vocales !

Dm **A#** **A**
Pas de boulot, pas de diplôme,
Partout la même odeur de zone
Plus rien n'agite tes neurones
Pas même le shit que tu mets dans tes cônes
Va voir ailleurs, rien ne te retient
Va vite faire quelque chose de tes mains
Ne te retourne pas ici tu n'as rien
Et soit le premier à chanter ce refrain

Dm **A#** **A**
Assieds toi près d'une rivière
Ecoute le coulis de l'eau sur la terre
Dis toi qu'au bout, hé ! Il y a la mer
Et que ça, ça n'a rien d'éphémère
Tu comprendras alors que tu n'es rien
Comme celui avant toi, comme celui qui vient
Que le liquide qui coule dans tes mains
Te servira à vivre jusqu'à demain matin !

Dm **A#** **A**
Assieds toi près d'un vieux chêne
Et compare le à la race humaine
L'oxygène et l'ombre qu'il t'amène
Mérite-t-il les coups de hache qui le saigne ?
Lève la tête, regarde ces feuilles
Tu verras peut-être un écureuil
Qui te regarde de tout son orgueil
Sa maison est là, tu es sur le seuil

Dm **A#** **A**
Peut-être que je parle pour ne rien dire
Que quand tu m'écoutes tu as envie de rire
Et si le béton est ton avenir
Dis toi que c'est la forêt qui fait que tu respires
J'aimerais pour tous les animaux
Que tu captés le message de mes mots
Car un lopin de terre, une tige de roseau
Servira la croissance de tes marmots !

Serre moi

Tryo

Am F C G (même rythme tout au long de la chanson)

Embrasse moi dessus bord
viens mon ange retracer le ciel
j'irais crucifier ton corps
pourrais-je dépunaiser tes ailes
embrasser te mordre en même temps
enfonce mes ongles dans ton dos brûlant
te supplier de me revenir
et tout faire autour pour te voir partir
et viens
emmène moi là bas
donne moi la main
que je ne la prenne pas
écorche mes ailes
envole moi
et laisse toi tranquille à la fois
mille fois entrelaçons nous
et lassons nous même en dessous
serre moi encore serre moi
jusqu'à étouffer de toi

Il y a des salauds
qui pillent le cœur des femmes
et des femmes qui n'savent plus trop
d'où l'amour tire son charme
papillon de fleur en fleur
d'amour en amour de cœur
ceux qui n'ont qu'une étoile
ou ceux qui brûlent leurs voile

J'aimes tes larmes quand tu aimes
ta sueur le sang
rendons nous amants
qui se passionnent qui se saigne
j'aime quand mon écorche est vivant
je ne donne pas long feu
à nos tragédies à nos adieux
reviens-moi reviens-moi
tu partiras mieux comme ça
à force de se tordre
on en finirai par se mordre
à quoi bon se reconstruire
quand on est adepte du pire
malgré nous
malgré nous à quoi bon se sentir plus grand que nous
2 grains de folie dans le vent
2 âmes brûlantes 2 enfants

serre moi encore serre moi
jusqu'à étouffer de toi
serre moi encore serre moi
